SCHOOLFEST WORKSHOP APPLICATION FORM

Please ask EACH student who is interested in attending a workshop to fill in the form below and return it to the SchoolFest Team by email, post or fax **by 11 December 2009**. Teachers are welcome to accompany students to workshops at the student price. Please complete an application form for any teachers who would like to attend. Workshop application forms are also available online at **www.nzfestival.nzpost.co.nz**

Please note: Workshops are designed for individual students with interest and knowledge in a particular subject, therefore they may not be appropriate for full class bookings. Spaces are limited and will be allocated once all application forms have been received. Completeing an application form does not guarantee space in a workshop.
